

Engineering - Open Courses	Date	Location
Project Management & Value Engineering	06-10 Jan 2020	London
The Best Practices of Industrial Engineering	13-17 Jan 2020	London
Construction Supervision Skills	20-24 Jan 2020	London
Industrial Engineering and Management	27-31 Jan 2020	London
Sustainable Urban Development	03-07 Feb 2020	London
Maintenance Strategy Development and Cost-Effective Implementation	10-14 Feb 2020	London
Quality Assurance and Concepts of ISO Standardisation	17-21 Feb 2020	London
Process Plant Start-up and Commissioning	24-28 Feb 2020	London
Health, Safety & Environment in Engineering Projects	02-06 Mar 2020	London
Advanced Process Risk Assessment & Risk Management	09-13 Mar 2020	London
Intelligent Transportation System	16-20Mar 2020	London
Introduction to the Oil & Gas Industry	23-27 Mar 2020	London
Commercial Contracts and Negotiation Skills	06-10 Apr 2020	London
The Art of Oil & Gas Procurement	13-17 Apr 2020	London
Planning for Sustainable Energy Resources	20-24 Apr 2020	London
Project Management & Value Engineering	04-08 May 2020	London
The Best Practices of Industrial Engineering	11-15 May 2020	London
Industrial Engineering and Management	18-22 May 2020	London
Construction Supervision Skills	25-29 May 2020	London
Sustainable Urban Development	01-05 Jun 2020	London
Maintenance Strategy Development and Cost-Effective Implementation	08-12 Jun 2020	London
Project Management & Value Engineering	15-19 Jun 2020	London

Project Management & Value Engineering	06-10 Jul 2020	London
The Best Practices of Industrial Engineering	13-17 Jul 2020	London
Industrial Engineering and Management	20-24 Jul 2020	London
Construction Supervision Skills	27-31 Jul 2020	London
Sustainable Urban Development	03-07 Aug 2020	London
Maintenance Strategy Development and Cost-Effective Implementation	10-14 Aug 2020	London
Quality Assurance and Concepts of ISO Standardisation	17-21 Aug 2020	London
Process Plant Start-up and Commissioning	24-28 Aug 2020	London
Health, Safety & Environment in Engineering Projects	07-11 Sep 2020	London
Advanced Process Risk Assessment & Risk Management	14-18 Sep 2020	London
Intelligent Transportation System	21-25 Sep 2020	London
Introduction to the Oil & Gas Industry	05-09 Oct 2020	London
Commercial Contracts and Negotiation Skills	12-16 Oct 2020	London
The Art of Oil & Gas Procurement	19-23 Oct 2020	London
Planning for Sustainable Energy Resources	26-30 Oct 2020	London
Project Management & Value Engineering	02-06 Nov 2020	London
The Best Practices of Industrial Engineering	09-13 Nov 2020	London
Industrial Engineering and Management	16-20 Nov 2020	London
Construction Supervision Skills	23 -27 Nov 2020	London
Sustainable Urban Development	07-11 Dec 2020	London
Maintenance Strategy Development and Cost-Effective Implementation	14-18 Dec 2020	London
Quality Assurance and Concepts of ISO Standardisation	21-25 Dec 2020	London
Process Plant Start-up and Commissioning	27-31 Dec 2020	London
