

Oil & Gas and Engineering - Open Courses	Date	Location
Introduction to the Oil & Gas Industry	06-10 Jan 2020	London
Oil & Gas Operational Safety	13-17 Jan 2020	London
Introduction to the Oil & Gas Industry	20-24 Jan 2020	London
Planning for Sustainable Energy Resources	27-31 Jan 2020	London
Oil & Gas Commercial Contracts and Negotiation Skills	03-07 Feb 2020	London
Advanced Process Risk Assessment & Risk Management	10-14 Feb 2020	London
Gas processing	17-21 Feb 2020	London
Oil & Gas Technical Competence	24-28 Feb 2020	London
Petroleum Production Operations	02-06 Mar 2020	London
The art of Oil & Gas Procurement	09-13 Mar 2020	London
The art of Oil & Gas Supply chain management	16-20Mar 2020	London
Enhanced Oil Recovery: Fundamentals and Applications	23-27 Mar 2020	London
Introduction to the Upstream Petroleum Industry	06-10 Apr 2020	London
Energy Management, Environment and Sustainable Development	13-17 Apr 2020	London
The art of Oil & Gas Procurement	20-24 Apr 2020	London
The art of Oil & Gas Supply chain management	04-08 May 2020	London
Oil & Gas Operational Safety	11-15 May 2020	London
Cost Planning, Control & Optimization in a Major Oil & Gas	18-22 May 2020	London
Oil & Gas Gravity Separation	25-29 May 2020	London
Introduction to the Oil & Gas Industry	01-05 Jun 2020	London
Planning for Sustainable Energy Resources	08-12 Jun 2020	London
Oil & Gas Operational Safety	15-19 Jun 2020	London

Introduction to the Oil & Gas Industry	06-10 Jul 2020	London
Oil & Gas Operational Safety	13-17 Jul 2020	London
Introduction to the Oil & Gas Industry	20-24 Jul 2020	London
Planning for Sustainable Energy Resources	27-31 Jul 2020	London
Oil & Gas Commercial Contracts and Negotiation Skills	03-07 Aug 2020	London
Advanced Process Risk Assessment & Risk Management	10-14 Aug 2020	London
Gas processing	17-21 Aug 2020	London
Oil & Gas Technical Competence	24-28 Aug 2020	London
Petroleum Production Operations	07-11 Sep 2020	London
The art of Oil & Gas Procurement	14-18 Sep 2020	London
The art of Oil & Gas Supply chain management	21-25 Sep 2020	London
Enhanced Oil Recovery: Fundamentals and Applications	05-09 Oct 2020	London
Introduction to the Upstream Petroleum Industry	12-16 Oct 2020	London
Energy Management, Environment and Sustainable Development	19-23 Oct 2020	London
The art of Oil & Gas Procurement	26-30 Oct 2020	London
The art of Oil & Gas Supply chain management	02-06 Nov 2020	London
Oil & Gas Operational Safety	09-13 Nov 2020	London
Cost Planning, Control & Optimization in a Major Oil & Gas	16-20 Nov 2020	London
Oil & Gas Gravity Separation	23 -27 Nov 2020	London
Introduction to the Oil & Gas Industry	07-11 Dec 2020	London
Planning for Sustainable Energy Resources	14-18 Dec 2020	London
Oil & Gas Operational Safety	21-25 Dec 2020	London
Introduction to the Oil & Gas Industry	27-31 Dec 2020	London
